

## **1.0 Maintenance & Repairs**

### **1.1 Emergency Contractor:**

For urgent roof leaks or burst pipes affecting common property, the designated 24/7 emergency contractor is Rapid Response Roofing & Plumbing.

Contact directly: (555) 123-EMER (3637).

Please notify Strata Management afterwards.

### **1.2 Work Order Process:**

Non-urgent repair requests for common areas (e.g., hallway lights, elevator issues) are processed by raising a work order with our licensed contractors (e.g., 'A-Plus Electricians' for electrical issues).

### **1.3 Gardening Schedule:**

The gardening service, 'GreenScape Landscaping,' attends all properties on a fortnightly (every two weeks) schedule.

### **1.4 Elevator Servicing:**

Elevator noise or performance issues are handled by our service provider, Otis Elevator Co.

### **1.5 Planned Maintenance (Painting):**

Repainting of common area walls is a scheduled item within the property's 10-year capital works fund plan.

Next repainting: 2026.

## **2.0 By-Laws & Rules**

### **2.1 Pet Policy:**

By-laws allow one pet per lot (max. 20kg) with prior written approval from the strata committee.

Process: Submit a completed 'Pet Application Form.'

### **2.2 Renovation Approval:**

All renovations require owner submission of a written request with detailed plans.

Strata committee reviews requests at their bi-monthly meeting, held on the second Tuesday.

### **2.3 Parking Enforcement:**

Only vehicles registered with management may park in designated spots.

Breaches: Formal warning notice issued.

Continued breaches: Fines of \$100 per occurrence.

### **2.4 Short-Term Rentals:**

Short-term rental arrangements (e.g., Airbnb, Stayz) are prohibited.

All leases must be for a minimum duration of 6 months.

### **2.5 Noise Complaints:**

Formal noise complaints (e.g., excessive noise after 10:00 PM) must be submitted in writing via the 'Noise Complaint Form' on the owner portal.

Strata committee investigates and issues formal notices for violations.

## **3.0 Insurance**

### **3.1 Strata Insurance Coverage:**

The strata insurance policy (underwritten by Allianz Strata Insurance) covers the building's structure and common property.

It does not cover internal fixtures like floorboards, carpets, or kitchen renovations.

Owners must insure these under their own contents policy.

### **3.2 Claim Process:**

For damage originating from another lot or common property (e.g., water leak), owners must complete the 'Strata Insurance Claim Form.'

Our office lodges this form with the insurer on the owner's behalf.

### **3.3 Certificate of Currency:**

The current Certificate of Currency for the strata insurance policy (Policy #: STR-2024-98765) is always available for download from the owner portal or upon request from our office.
